bodybalance holistic training solutions

Holistic Training Solutions (HTS) is a partnership founded on extensive commercial and educational experience and runs in conjunction with **bodybalance** Complementary Health Centre.

HTS is a partner with Stourbridge College, which has been formed to meet the wide-ranging needs of the therapist for Vocational Training and Continual Professional Personal Development (CPPD) therefore funding may be available for some courses. This will be dependant on personal circumstances

Courses and workshops are continually being designed and updated to National Occupational standards and requirements to meet the needs of therapists working in clinics, health centres or mobile. CPPD courses selected are based on information given to **bodybalance** by you the therapists and are therefore appropriate to your occupational needs.
