## About Bodybalance HTS training treatments

Thank you for showing an interest in assisting our learners by undertaking treatments at body balance. Here at body balance we have purpose built training facilities where our students are trained to a very high standard.

To give the students practical experience we are able to offer you holistic and beauty therapy treatments at student rate prices, each treatment is performed under the supervision of one of our expert therapy lecturers.

Prior to each treatment a full consultation will be conducted by the student to ensure that the treatment is suitable and safe for you to experience.

As you can see from our price list we offer an extensive range of treatments whether to pamper you or to offer you total relaxation.

We look forward to welcoming you to body balance for a beauty or holistic therapy treatment.

Best wishes  
Chris Smart
